During an execution of an arrest warrant for Lascelles Clue, On 1/22/10 at 0745 hr., Det. Trompetta, Det. Martin and I observed several bags of garbage throughout both the kitchen and the (enclosed) back porch of the apartment. Kelly Slavin, Lascelles' girlfriend, said that the "dumpster was full." The apartment appeared to be unsanitary for the three children who live in the home. We did not observe the rest of the apartment. We told Ms. Slavin to clean the apartment as soon as possible.

Later that morning, DCF Social Worker Investigator Christine Eager called me. Invest. Eager had worked on Slavin's earlier DCF case from 11/09. That referral was also made by this Detective (DPD Case # 09-11041). Invest. Eager told me that Ms. Slavin had contacted her about Mr. Clue's arrest. I told Ms. Eager about the latest conditions and she agreed that a new report should be made.

I later made an oral report to the DCF hotline and spoke with DCF hotline worker Rebecca Pye. On 1/25/10, I completed and mailed the DCF-136 form (copy attached). **Case closed with arrest.**

On 5/19/09 at approximately 01:27 hrs. while on patrol I observed a vehicle parked in the lot of 51 Kenosia Ave., Urology Associates. Upon further investigation I observed that the windows of the vehicle were open and the vehicle appeared unoccupied. I entered the license plate, CT. There didn't appear to be any keys in the vehicle. I contacted dispatch to verify that this was in fact the vehicle in question from a car jacking that occurred on 5/18/09. Det. Leroose was notified and wanted the vehicle brought to Danbury Police Headquarters to be processed for fingerprints. PO Bardelli was dispatched to the scene to photograph the vehicle prior to it being towed to Danbury Police HQ for processing.

The stolen motor vehicle was canceled in NCIC/Collect OCA # 01373, MSG # 9141706.

INCIDENT DETAILS

On 11/11/09 at approximately 2109 hrs I was assisting the detective bureau in serving a search warrant on 22 Morris St. I was instructed to look for a black Chevy Lumina bearing CT registration 699-XFK because the Detective bureau had a search warrant for that vehicle also. The search warrant of the residence produced a laptop computer that was taken in a previous robbery that the operator of the Lumina is also a suspect in. Minutes later the vehicle in question was seen heading eastbound on Tomlinson Ave. Detectives Lerose and Monroe pulled out of a parking spot on Tomlinson Ave. and followed the vehicle to the intersection of Morris St. and West St. where I was able to stop the vehicle. A felony stop was performed due to the fact that the suspect had used a knife in committing the crimes. The driver of the vehicle, later identified as Lascelles Clue, was pulled from the vehicle and immediately handcuffed. Clue was patted down for our safety and after his pockets were searched incident to arrest. I found a small clear plastic ziploc baggy containing a green leafy substance in Clue's right front change pocket of his jeans. I asked
